**Re: United States v. Suarez, 19 CR 564 (WHP)**

Dear Judge Pauley:

I am writing on behalf of defendant Domingo Suarez and without objection from the government to respectfully request that Mr. Suarez's August 6, 2020 sentencing be adjourned to a date convenient for the Court in late September or early October due to the ongoing COVID-19 pandemic. By that time, we are hopeful that Mr. Suarez will be able to safely fly from California to the Southern District of New York to attend his sentencing in person.

I remain available for a telephone conference on this application should Your Honor deem it necessary.

Respectfully submitted,

Jeffrey Lichtman

Application granted. Sentencing adjourned to October 14, 2020 at 2:00 p.m.
